

Front Walk Railing Guidelines

Residents may add a front walk railing extending from front porch steps and walkway to the street sidewalk as desired. Plans detailing the railings and placement must be submitted to the DRC for approval before work is done. Railings may be wrought iron or comparable material of a similar simple style as depicted below:

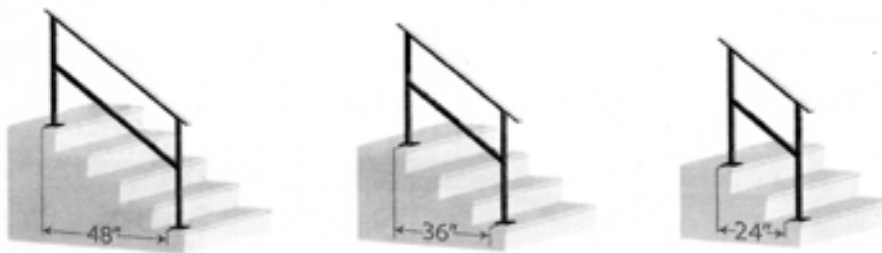

Picket Style

Arch Style

Line Style

Handrails selected should be similar to these styles. The picket and arch styles are available as stock items from local provider Fortin Ironworks, 944 W. 5th Ave., Columbus, OH 43212, 614-291-4342, <http://www.fortinironworks.com/>. Line style can be custom made. They provide do-it-yourself instructions and they do installations.

Fortin Ironworks has no special relationship with DCHA nor offers specific discounts. Any provider with qualifying handrail products may be selected.
