The list includes trees and shrubs which generally thrive in Central Ohio. This list is intended to serve as guidance for Dominion Club homeowners who are planning to replace existing trees and shrubs or are adding new trees and shrubs to their property. Homeowners are referred to the Dominion Club Handbook for specific rules applying to changes they are contemplating regarding landscaping and/or exterior modifications to a structure.

The City of New Albany prohibits planting of Box Elder, Catalpa, Mulberry, Poplar, Siberian Elm, Silver Maple, Tulip and Willow trees.
