

Board Notes

Clubhouse and Pool – The Board voted to fully open the clubhouse and pool for normal operations on June 2 following the Governor’s order rescinding all pandemic lockdown orders. Flowers were recently planted around the clubhouse and pool area.

The pool has a new heater and other repairs were completed before the pool opened. With the arrival of hot weather, our pool is busy. It is for the use of residents and their invited guests, homeowners must accompany guests while they are there. Please remember to remove any trash before you leave the pool since there is no trash removal service. Umbrellas are all in good condition, please close them in high wind conditions and when you leave. If you rearrange the furniture please return to original position.

Landscaping – The first pruning is scheduled to begin **June 14**. It will be a “light” prune to clean-up shrubs and take off straggling branches. Kirkbride won’t touch anything blooming.

If you do not want pruning, please contact Doug Easton at VGL to get on the “Do Not Prune List” at 614-408-3206 or deaston@vqlltd.com. The list starts over each year.

Block Watch – Board member Chuck Stenger met with New Albany Police about Block Watch. Crime in the Dominion Club is almost non-existent due to everyone's diligence in keeping garage doors closed, lights on at night, and doors locked. Video doorbells are being used more by law enforcement to help investigate crimes. Only the doorbells that record are useful because they will save video for further review. After talking about crimes at shopping centers, especially bodily harm caused during the crime, Chuck asked if the police could provide a self defense class for our residents. The police department was receptive and stated if there were enough people interested they would put on a class. Please contact Chuck Stegner if you are interested in participating in the class or serving as a volunteer on the Block Watch committee.

New Board Member – Board member Pat Ewing resigned from the board since she and “Coach” are selling their home and moving south.

The board appointed **Mike Young**, 6936 Camden, to complete Pat’s remaining term through October.

Mike and Susie Young moved here from Hilliard after living there the past seventeen years. Mike is a partner/professional engineer with a local engineering firm and Susie retired from the medical field. They have two daughters in the Columbus area with five grandsons and one granddaughter, ranging in age from 16 to 7. Mike enjoys golf and is a 25-year high school volleyball official. Susie volunteers at Dublin Hospital and loves to bowl, play cards, and shop.

Memorial Day Party

It was a perfect day for a party and cookout! Neighbors enjoyed hamburgers and hot dogs prepared by expert chefs, along with shared side dishes and desserts brought by other expert chefs! Many thanks to Lynda Hill, Carol Miceli, Leisa Harman, and Susie Young for organizing this event.

First DC Social Hour by the Pool & Hot Mess Food Truck

The Dominion Club Social Committee held the first weekly Social Hour by the Pool on Wednesday, May 19. It will be a weekly recurring event through the summer ending in September, weather permitting. It was accompanied by the Hot Mess food truck serving a variety of burgers and sandwiches. Thanks to board member Chuck Stenger for arranging a variety of food trucks that will appear through the summer from 5-7:30pm in the clubhouse parking lot.

Tortilla Street Food

The next food truck to appear in the clubhouse parking lot was Tortilla Street Food on May 26 in conjunction with the DC Social Hour by the Pool. Tacos, burritos, and quesadillas, Ole!

Purple Chicken Food Truck

On June 4 the Purple Chicken Food Truck arrived, again in conjunction with the Social Hour by the Pool, serving only a variety of chicken wings and french fries.

Farewell to “Coach” and Pat Ewing

We are sad to see our neighbors Pat and David “Coach” Ewing (6934 Camden) leave our community. We wish them the best!. Here is a note they want to share with us...

Hi neighbors!

As most of you have probably heard by now, Pat and I are moving to Florida at the end of June.

We want to thank all of you for the last amazing 15 years. It has been our pleasure to be blessed with such fine neighbors and friends.

We would like to thank you for your overwhelming support for the 3 years Pat was chair of the Party Committee. Our 4 annual golf outings could not have been a success without your participation.

We will always remember you and hold a warm spot in our hearts for all the Dominion Club community.

20 Years at the Dominion Club

On June 7, 2021, John and Donene Bradshaw, who live at 7061 Dean Farm Road, celebrated 20 years living in their home here at the Dominion Club.

They both agree that their move here has been a wonderful experience. They have both been the "Welcoming Committee" for the neighborhood and have met just about everyone who has moved here. For 12 years they headed up the Party Committee and had some great parties at the clubhouse. The first party was in their home when only a dozen homes were occupied.

When they first moved here they told others that they would only stay 10 years or so, then move into an assisted living facility. Now they are starting on their third 10 years. They still enjoy meeting the new neighbors and going to parties at the clubhouse that others are now planning.

Life in Ohio

... And in New Albany. Many thanks to Carol Jauchius, 6935 Camden, for the photos...

Beautiful spring blossoms along Dean Farm Road on April 13, 2021...

Then heavy wet snow on April 21, 2021...

Sometimes the seasons forget to change like they should!
