Two Trustee Positions Open This Fall

Fall elections are fast approaching. If you're tired of hearing campaign rhetoric, think about more pleasant subjects.

For example, who among us would you want to be on the DC board as a trustee? Or would you like to join the DC board and lend your creative talents to managing the little domain we have here?

Two trustee positions will be open for election this fall, as Urban Kraus and Barry Turner's terms expire. Both had extended their contributions and did a bang-up job, for which we are all grateful.

Typically, after the elections, the board sits in a first meeting to redistribute the various duties, com-

mittees and functions. So, there's plenty of opportunity to blend your talents with some of the activities in which we are involved.

If you, or someone you know would like to fill one of the positions, nomination application forms will be available in time for the July DCHA Quarterly Open Business Meeting and until the election occurs. Nominate a neighbor you would like as a board member (with their permission, of course...). Or, you may nominate yourself, if you would like to lend your creative talents to supporting our little community we have here.

DCHA 3rd Quarter Open Meeting

The Dominion Club Third Quarter 2008 Open Meeting will be conducted Thursday, July 17, 7:00 P.M. at the DCHA Clubhouse.

If you have any issues, new business or items of interest you wish addressed at this meeting, please send an email (or letter) no later than Tuesday, July 8th.

Informing the board in this manner

permits the items to be placed on the agenda, and board members can familiarize themselves with the issues before the meeting.

Send the email or letter to:

Pool Party

Seventy one people enjoyed good food, great weather and lots of fellowship at our "Pool Opening and Cookout Party" at the Dominion Clubhouse on Friday, June 6.

Don Thacker and Jim Roche did a great job cooking the burgers, brats and hotdogs for everyone.

A big thank you to all the volunteers!

HOT Lawns in July

July will see basic lawn cutting, perhaps on a stretched-out schedule if extreme dryness sets in. The end of June saw fertilization, weed and surface insect (including grub) control applied. Late spring / early summer pruning was finished last week.

Remember to water your lawns at least one inch per week during any hot and/or dry spells. Watering early in the morning gives the best result. Late afternoon and evening watering when it's hot and humid promotes various lawn diseases.

"Remember to water your lawns at least one inch per week during any hot and/or dry spells"

Fire Marshall Inspects DCHA Clubhouse

Each summer, coincident with the opening of the Dominion Club Pool, the PTFD Fire Marshall does an annual inspection of the clubhouse.

This year revealed that 11 light bulbs needed to be changed and emergency lighting packs updated.

One item needs the attention of all. In the utility closet off the hall to the rest rooms, **PLEASE do not store anything within 3 feet of the main electrical service box.**

Firefighters need to easily reach and shut down all power if they enter the premises to fight a fire. Blocking the electrical service main slows the progress of the firefighters when trying to shut off the power supply.

The final inspection will be conducted at the end of July.

Your cooperation is appreciated. We want to be sure we pass the inspection.

Thank You!

Play It Safe with Food

Much has been in the news lately about food supply safety and microorganisms. Here are tips from the USDA.

Know how to prepare, handle, and store food safely to keep you and your family safe:

- Clean hands, food-contact surfaces, fruits, and vegetables. To avoid spreading bacteria to other foods, meat and poultry should not be washed or rinsed.
- Separate raw, cooked, and ready-to-eat foods while shopping, preparing, or storing.
- Cook meat, poultry, and fish to safe internal temperatures to kill microorganisms.
- Chill perishable foods promptly and thaw foods properly.

"Cook meat, poultry, and fish to safe internal temperatures to kill microorganisms"

Bob Hire Secretary 746-3412 rhire@insight.rr.com Landscape & Snow Removal, Committee	
Towne Properties Representative Becky Colburn 781-0055 beckyc@tp1.com	

Mark your calendars now for Friday, July 25. This is the date of our annual Hawaiian Luau at the Dominion Clubhouse Poolside.

This year we are having a real pig roast. Yes, Don Thacker has arranged for a friend to bring his big cooker and cook a pig for us. He will start in the morning of the 25th and cook the pig all day. By 6:30 p.m., the beginning of the Luau, the pig should be ready to serve.

If you drive by the clubhouse on Friday, you will see the big rig in the parking lot and probably see the smoke.

We will be asking everyone to bring an appetizer, main dish or dessert to go with the pig.

Remember to start working now on your outfit. We are hoping everyone will get into the mood and dress appropriately for a Luau.

Your invitation will go out around July 10, with all the details. Lets hope for some great July weather.

Community Notes...

Donene Bradshaw says "Thanks"—"I just want to thank everyone for the food, cards, flowers, e-mails, visits and prayers as I recover from my unexpected surgery on my leg.

It is heart warming to live in this wonderful, caring neighborhood."

Stitchery—The DC Stitchery group will meet on July 14 at Karen Collins' home, the clubhouse being rented that evening. On July 28, Stitchery will be at the clubhouse. Join us!
