DCHA Block Watch Committee News

There have been multiple car break-ins in New Albany Links, fortunately none in the DCHA. New Albany Police Block Watch Officer, Ryan Southers, reported that they captured the main suspect that has been breaking into parked vehicles in the area.

The Pelotonia bike rally will take place on August 10, 11, 12 and pass through New Albany. 6,000 people have registered. 5,000 will end their rides at Bevelhymer Park on Saturday; 1,000 will end on Market Square on Sunday so we need to be aware of the increased bicycle traffic that weekend.

Skate boarding is not allowed on city streets. If you see anyone doing this either inform them they are not allowed or phone the NA police.

The future median on New Albany

Road East will be located in between Dean Farm Road and the area where New Albany Road East transitions from the commercial to residential area, around the area of Wolcott Loop. The median will be three to four separate sections leaving breaks for street intersections. The medians contain mulch and trees and will look similar to the those installed on U.S. 62 north and south of S.R. 161. The purpose of the median is to slow traffic down as it comes into the residential area from S.R. 605. Traffic studies have shown that when a lane of travel is narrowed, the sensation of speed is heightened and results in a natural slowing of traffic. There are no plans to extend this median east of Dean Farm Road.

Hawaiian Luau

On Friday, July 20, 2012, seventy eight neighbors gathered at the Dominion Clubhouse for an evening of fun, Hawaiian music, good food and good conversation.

The 1/2 Pig was cooked to perfection by Chef Pat Elliott and assisted by Don Thacker, starting at 9:00 a.m. It was finished at 4:00 p.m.

Everyone brought a dish or dessert to share and the food was delicious.

Door prizes were passed out to the ones who were lucky to have the winning numbers on their nametags. The "Guess the number of petals in the bowl" was won by Jim Burt.

The pictures below show the fine Hawaiian outfits that were worn for the party. Luckily, no one fell in the pool, this time!

Homeowners Advantage Card

The New Albany Links developer offered a discount card to DCHA homeowners as a result of the recent master association fee increase.

The New Albany Links Golf Club now has the cards available for pick-up at the "Pro Shop" at the bottom of the ramp at the Clubhouse. Just go in and ask for your card.

As promised, after you pay the additional \$40 to the New Albany Links Homeowners Association, you can get your card for a discount on six rounds of golf or six visits to the New Albany Links pool. Additionally, you can get a 10% discount on food at the Pub, located in the lower level of the Clubhouse.

The cards are valid until June 1, 2013.
